

WEEKLY

January 25- February 2 *update*

Happy Catholic Schools Week!

This week is filled with super fun activities and dress up days that help us celebrate how unique and special WE are as a Catholic School.

Monday: PJ Day with a movie and popcorn!

Tuesday: Workout Day or Favorite Sports team day (also our math NWEA)

Wednesday: Wacky Wednesday and Bingo with Fr. Dwight

Thursday: Class Color Day, we are YELLOW

Friday: Spirit Day for our country or school and Bowling

WHAT WE ARE LEARNING

This week we are continuing the genre of expository text while reading about Earth and our solar system. We are continuing to learn and practice our skills of summarizing by finding the main idea and key details.

Our math NWEA is this Tuesday! After we finish testing, we will jump into chapter 7 by multiplying and dividing by 3's.

In social studies we are studying Michigan's path to statehood. We are going to work through our Michigan History Units for the next month!

We are celebrating Catholic Schools Week! This week we will learn why we celebrate and focus on each individual day and celebration. There will be no Religion newsletter in this week's email.
