

WEEKLY

January 15-19

update

Welcome back!

I hope you all had a wonderful and relaxing Christmas break and a great first week back into the routines of school and work!

We have been busy reviewing expectations and procedures while recounting all we were working on before the break. We will jump fully back into all homework (SS, Math, Spelling) this week.

WHAT WE ARE LEARNING

This week we are exploring the genre of expository text while reading about Earth and our solar system. We are going to learn and practice our skills of summarizing by finding the main idea and key details.

We added the factor of 5 to our knowledge book of multiplication and division last week. This week, we will look for patterns on the multiplication chart as well as multiply and divide by 10's.

In social studies we are studying Michigan's path to statehood. We are going to work through our Michigan History Units for the next month!

We are also learning about Jesus sharing the Kingdom of God with us through His miracles. This week we are also learning about the Spiritual and Corporal Works of Mercy. See the newsletter in this weeks email.
