

WEEKLY

update

March 25-28

Despite the snow, we have made it to the final four days before Spring Break!

Report cards will be available via FACTS this Thursday. Please reach out if you have any questions!

Safe travels to all who are taking a vacation!

WHAT WE ARE LEARNING

We will wrap up unit 4 of Wonders this week with one final chapter. We are refreshing our memory of poetry and will incorporate this into our Lenten retreat and activities on Wednesday.

We are learning SO much algebra! This week we are wrapping up and will take our test over solving equations with variables. This concept really isn't new, as we are just adding new vocabulary!

We are FINALLY back to science! We are working on our unit on plants and animals changing over time. Our essential question is "why do organisms become extinct". We will study fossils, rocks, and survival of the fittest to fully understand plant and animal extinction.

Next week in Religion we are looking closely at Lent and spending time in retreat together as well. We will spend time in Eucharistic Adoration and take the time to think about our Lenten journey. There will be no newsletter attached in this week's email.

SPELLING WORDS

MARCH VIRTUE OF THE MONTH:

MODERATION

Following a way of life that does not
indulge too much in any one thing

MARCH SAINT OF THE MONTH:
ST. FRANCIS DE SALES

REMINDERS

Please send back the permission slips to watch "Because of Winn Dixie" this Tuesday!

Let me know if your child will be missing school leading up to Spring Break so I can plan accordingly.

Our all school field trip to watch "Willy Wonka and the Chocolate Factory" is this Thursday! Please make sure your student(s) is/are wearing appropriate shoes and coats.
