# update

March 4-8

Happy March!!

What a busy time of year! We are really pushing through and getting so much done, it's amazing!

We have almost finished learning all factors for multiplication and division, and Michigan history is almost finished as well!

As we approach the end of the third quarter and Spring Break, we are really focusing in and continuing this great work spree!

## WHAT WE ARE LEARNING

This week we are reading the genre of realistic fiction in our Wonders text and continuing "Because of Winn Dixie". We are working on asking and answering questions as well as point of view as readers and authors.

We are wrapping up our factor chapters of multiplication and division. This week we are adding our 11's and 12's facts. The test will be on Friday!

In social studies we are studying Michigan's path to statehood. We are going to work through our Michigan History Units until our final timeline project which will be completed by March 8th. We will move back science next week for organisms changing over time and fossils.

Next week in Religion we are focusing on care for our own bodies. Find the newsletter attached in this week's email.

## REMINDERS

We started learning the Gloria!  
Here it is in case you want to  
work on it at home as well.

### The Gloria

Glory to God in the highest, and on earth peace  
to people of good will.

We praise you, we bless you, we adore you, we  
glorify you, we give you thanks for your great  
glory, Lord God, heavenly King, O God, almighty  
Father.

Lord Jesus Christ, Only Begotten Son, Lord God,  
Lamb of God, Son of the Father, you take away  
the sins of the world, have mercy on us; you take  
away the sins of the world receive our prayer;  
you are seated at the right hand of the Father,  
have mercy on us.

For you alone are the Holy One, you alone are the  
Lord, you alone are the Most High, Jesus Christ,  
with the Holy Spirit, in the Glory of God the  
Father.

Amen.
