

WEEKLY

update

November 6-10

Happy November!

As the weather gets colder and the days get darker, please help your child remember boots and coats! I would hate for them to miss part of recess having to be on the pavement or inside without a proper jacket.

We have a field trip scheduled for November 14th. We will depart St. Mary around 9:45 and will return around 2:15. We will be at the MSU planetarium and Dairy Store.

WHAT WE ARE LEARNING

Our essential question in reading this week is "Why do people immigrate to new places?". We will practice predicting details and study theme while reading historical fiction. We are working also on all kinds of nouns! Plural, irregular, proper, you name it! We also are practicing combining sentences based on two sentences having the name subject, or noun.

We are back in the math book for Chapter 4: Understanding Multiplication this week. We will spend a lot of time looking at multiplication as equal groups, arrays, and repeated addition.

This week we continue to study the inheritance and variation of traits in science.

We are going to have our first unit assessment in Religion this week. My goal is to take this test on Tuesday so we can begin unit 2 this week as well. This next unit teaches us that Jesus teaches us about the Kingdom of God.

REMINDERS

If you can, please work on the Apostles Creed prayer at home. We are continuing to pray it together in school, so extra practice would be lovely!

Conferences are this week! Please double check your scheduled time!

We have a field trip planned for November 14th. Keep an eye out for more information!
