

# WEEKLY

October 16-20

update

Happy middle of October!

We are working hard and in the deep of all things right now!

We are beginning subtraction this week, which means our next math chapters are multiplication and division! I know the class is super anxious to get into these new topics.

Have a blessed week!

## WHAT WE ARE LEARNING

Our essential question in reading this week is "How do people make government work?". We will practice rereading skills and look at the author's point of view while reading expository text. We are going to begin our persuasive writing prompt for Halloween this week.

We took our chapter 2 test on addition last week. This week we begin chapter 3: Subtraction. We will work on subtracting mentally, estimating differences, when to estimate and when to find an exact answer, and regrouping this week.

Last week we studied the Lake Plains and the Superior Upland regions of our beautiful state. This week, we will take a test over the two regions and switch back into science to study the inheritance and variation of traits.

This week in Religion we will continue learning about how God loves all the people in the world. We will discuss showing peace, kindness, and respect and how this is all God's will for us as humans.

## SPELLING WORDS

long /i/

List 1:

sky

Halloween Party  
Non-Uniform Day  
End of Term

October 31  
Halloween  
Book Report Due

November 1st & 2nd  
Parent Teacher conferences

## REMINDERS

If you can, please work on the Apostles Creed prayer at home. We are continuing to pray it together in school, so extra practice would be lovely!

Conferences are coming up, be on the lookout for the slip with the information on when your conference is scheduled!
